Here are some details and Frequently Asked Questions:

Do I have to do DUNF online? / Can I use a paper form?

Ohio Dept. of Agriculture is no longer accepting paper forms, you **MUST** complete your DUNF online.

What information do I need?

The information required by the online form is EXACTLY the same as the old paper form. You will need your animal ID/Tag #, and your own info (address, etc.).

IF you treated your animal you will need to put that information on the form. The exhibitor and the parent will sign the form electronically. If you have your information ready, it will take you less than 5 minutes to complete the form.

Can I put all my animals on the same form?

No. As in the past, you will complete a separate DUNF for **each** market goat, lamb, dairy feeder, steer, hog, or **pen** of rabbits or poultry. Lactating (in milk) dairy cattle also need to file a DUNF. Breeding stock/animals do not need to file a DUNF, only market animals.

What if I need to treat (medicate) my animal after I fill out the form?

As in the past, if you need to treat after submitting the form, you will need to complete a new online DUNF. Use the same link to file a new form.

What if I don't get the DUNF filled out before I get to the fair?

You will not be permitted to weigh in your market animals until the DUNF is completed. The Fair Board will have a list of DUNF's filed as of Noon on July 21. If you are not on the list, you will not be permitted to weigh.

What device can I use to complete my DUNF?

You can access the link from a computer or any mobile device. For example, you can use your phone to complete the DUNF. Connectivity at the Fairgrounds is sometimes weak, so it is highly recommended that you complete your DUNF **PRIOR** to arrival at the fair and **PRIOR** to the deadline of **NOON** on Friday July 21 so that you are on the completion list.

How will I know if my DUNF is successfully filed?

You will receive an email immediately after filing your DUNF confirming that it is successfully completed.

Please review your June 28 email for full Union County Fair details.

Also, be sure to check the bulletin board in the barn **AT LEAST** once a day for important announcements and updates.

Barn Pass Information

Any livestock family wishing to get a barn pass can obtain 1 Barn pass per family, in person, at the Senior Fair Office on the Fairgrounds. Family names will be checked off a list of livestock exhibitors. The Senior Fair Board will be enforcing the one (1) pass per family rule. This Barn pass sticker allows a vehicle to drive toward the barns for unloading feed/equipment **between the hours of 10pm and 2pm**. Each livestock family will need to sign for their own barn pass at the Sr. Fair Office; these cannot be picked up by advisors. For questions about this Barn pass privilege, ask the Senior Fair Board. SFB Office hours to pick up Barn passes are 11:00am-5:00pm starting July 19 or by appointment. Appointments can be requested by emailing secretary@ohiounioncountyfair.com or by calling Sherry at 937-644-8736 to schedule.
